A group that is out of position at a checkpoint hole will receive a warning for the first instance. The warning will not be rescinded. Each player in a group that is out of position at a subsequent checkpoint hole may be liable to penalty stroke(s).

Your relief area is two club-lengths from the point where the ball last crossed the edge of the red penalty area.

## SECTION B: LOCAL RULES

**1. ABNORMAL COURSE CONDITIONS** – Rule 16- Ground Under Repair includes:

- a) Areas defined by white lines;
- b) French Drains filled with stones;
- c) Seams of Cut Turf – Through the green, seams of cut turf (not the turf itself) are deemed to be ground under repair. All seams in the cut turf area are considered the same seam. However, interference by a seam with the player's stance is deemed not to be, of itself, interference under Rule 16.1. If the ball lies in or touches the seam or the seam interferes with the area of intended swing, relief is available under Rule 16.1. All seams within the cut turf area are considered the same seam for the purposes of defining a relief area (see rule 14.3).

**2. IMMOVABLE OBSTRUCTIONS** – Rule 16 - White line areas tying into artificially surfaced roads, paths or obstructions are deemed to have the same status as the road, path or obstruction and are not ground under repair.

**3. WOOD CHIPS AND MULCH** - Wood chips and mulch are loose impediments. Rule 15.1 applies.

**4. FLOWER BEDS** Flower bed areas are considered ground under repair from which play is prohibited. If a player's ball lies in the area, or if it interferes with the player's stance or area of intended swing, the player must take relief under Rule 16.1.

**5. INTEGRAL PARTS OF THE COURSE**

- a) Wrappings, wires, cables and other objects when closely attached to trees;
- b) Artificial walls and/or pilings used to define the margin of bunkers. Such walls and/or pilings are through the green.

**6. PERMANENT ELEVATED POWER LINES OR CABLES** - If a ball strikes a permanent elevated power line or cable, the stroke **MUST** be cancelled, and the player must play a ball as nearly as possible at the spot from which the original ball was last played in accordance with Rule 14.6.

**7. OUT OF BOUNDS** – Rule 18 - When white stakes or fences are used, the out of bounds is determined by the nearest inside points of the stakes or fence posts at ground level (excludes angled supports). When a white line defines out of bounds, the line itself is out of bounds. A ball is out of bounds when all of it lies out of bounds. A ball that crosses a public road defined as out of bounds and comes to rest beyond that road is out of bounds, even though it may lie on another part of the course.

**8. DISTANCE MEASURING DEVICES** – In this competition, a player may obtain distance information by use of a distance-measuring device. If, during a stipulated round, a player uses a distance-measuring device to gauge or measure other conditions that might affect his play (e.g. elevation changes, wind speed, etc.), the player is in breach of Rule 4.3a.
